RESPONSE OF BAY STATE GAS COMPANY TO THE
ELEVENTH SET OF INFORMATION REQUESTS FROM THE D.T.E.

Responsible: Steven A. Barkauskas, Vice President Total Rewards

DTE-11-23 Refer to Exh. BSG/JES-1, at 15. Provide the specific performance categories used to rate each employee who participated in the incentive compensation program and what level of performance must be met in order to achieve a bonus.

Response: The specific performance categories used to rate each employee who participated in the incentive compensation program, which are unique to several hundred eligible Bay State employees, are not readily available. However, Attachment DTE-11-23 is a sample performance management worksheet ("PMW") showing how different employees can have different performance results and measures depending on their particular function within the Company. In sum, the results of the PMW process aid in determining the amount of an employee performance award. Therefore, this tool helps to ensure, among other things, that Bay State's customer needs are met, whether directly or indirectly.

See also Exh. BSG/SAB-1 at 20-21 for additional information on PMWs and incentive compensation.

DTE-11-28 Refer to Exh. BSG/JES-1, at 16. Provide all proposals the Company solicited from insurance carriers and/or third party administrators through its request-for-proposal process.

Response: The Company did not solicit any proposals from insurance carriers and/or third party administrators for health or dental insurance through an RFP process during 2004. As noted in Exh. BSG/SAB-1 at 40, NiSource Corporate Services Company ("NCSC") is responsible for managing the health and dental benefit plans for Bay State Gas Company. The process NCSC goes through each year to ensure the most competitive pricing for these offered plans is to work with its benefits administrator, Hewitt, to solicit renewal rates from current or prospective carriers, as applicable, via requests for proposals. Because Hewitt handles all of NiSource's benefit-related RFPs, and the relevant RFPs for the 2004 test year were issues in 2003, those RFPs covering Bay State's employees are not readily available. However, Bay State has concluded from the results shown on Exhibit BSG/SAB-1, Schedule SAB-9 (Non-Union Employee Benefits Comparison) that its benefits are reasonable as compared with the offerings from other employers in the labor markets the Company conducts business in.
